## Latest News

### Welcome to SISTEMA GmbH

We're pleased to welcome **SISTEMA GmbH** to the Network of Resources (NoR) as of May 2025.

With 15+ years of experience, SISTEMA brings two new services to the NoR Portfolio:

- **Flood Risk Service (FRS):** Assesses flood risks in coastal areas to support informed planning.
- **Desert Locust Monitoring Service (DLMS):** Detects locust breeding zones to enable early warning and crisis response.

### Did you know?

The NoR Portfolio page now features a new **“Selection Summary”**, a shopping cart-style tool that lets you easily keep track of selected services.

As you browse, simply add services to your summary to compare, review, or prepare for your sponsorship request. It's a smoother way to explore the NoR offering and organise your choices in one place.

### NoR at LPS25 – Come and meet us!

The Network of Resources will be at the Living Planet Symposium 2025, delivering four live demo sessions of 45 minutes each day from Tuesday to Friday at the EO Arena.

Join us to discover how NoR services can support your projects with ready to-use EO tools, data and processing solutions.
